

LAKE *living*

I'm sure we've all cruised by spectacular homes in lake country and wondered... "What's it like in there?" Well we have the inside look for you as well as the beautiful views of the lake!

modern lake living.

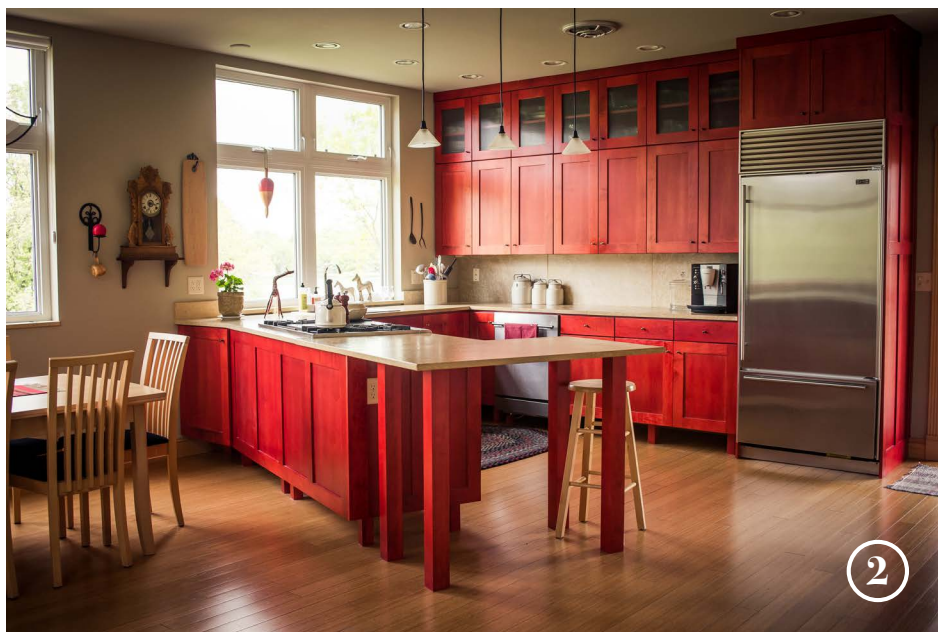

This incredible home, nestled on Lake Andrew in Alexandria, was designed by architect and owner Paul Ringdahl. The home was designed with an open floor plan and the intent that the furniture would be antiques from both sides of their families. With so many features, it has come together beautifully.

Where: Alexandria, MN

Bedrooms: 5

Bathrooms: 5

Built: 2002

1. The home features three patios: one on the rooftop, one on the main level and one on the ground level.

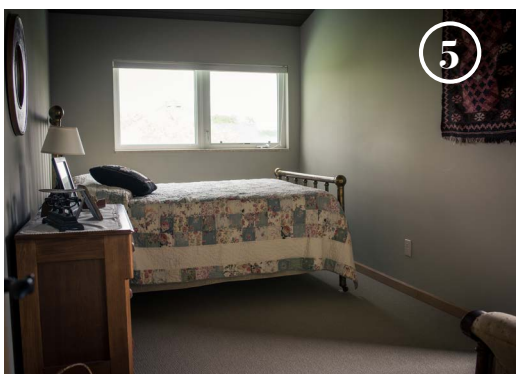

2. The red cabinets were inspired by this knickknack box that belonged to, Paul's wife, Sally's grandmother.

3. The homeowners wanted a fish in their home, but not a real mounted fish, so they searched until they found this metal one that was perfect for their home.

4. The living room provides a beautiful lake view of Lake Andrew.

5. All four bedrooms and two bathrooms upstairs are exactly the same, so there was no fighting over rooms amongst siblings.
